4 Taking up references for short listed candidates

4.1 References will be sought for all short listed candidates including the most recent employer, using the proforma reference request forms. All references received must be countersigned by the Head Teacher if the last employment was within a school. These should then be scrutinised to identify any gaps or contradictions, which will then be explored at interview. All references will be verified and a record kept of such.

4.2 Prior to the interviewing process, potential candidates will be shown around the school, given short talks by senior staff which will provide information about how autism and learning difficulties impact on our young people and how this could impact on them if they were to be employed.

5. The Interview Process

5.1 This will be conducted by at least three people (panel) at least one of whom must have undergone Safer Recruitment training and this must be recorded in the interview process, on a face to face basis and the same panel will see all the candidates for a post and carry out some straight forward pre-employment checks such as:

6. Pre – employment

6.1 In addition to the checks already detailed the school will ensure that a pre employment health check is completed, as well as obtaining an enhanced DBS disclosure. For teachers the school will verify successful completion of the statutory induction period. These together with the collection and verification of all necessary references will be completed before staff start work. Any offer made to a candidate will be conditional on all the pre employment checks being completed satisfactorily.

We will also provide a range of opportunities where concerns can be raised, in order that staff feel that Overley's culture embraces safeguarding and communicates a clear framework to employees, parents and pupils.
