They really enjoyed the different materials.</p>	<p>On Enrichment day we travelled to the Seven valley country park.</p>  <p>After a good walk exploring, we stopped for a well-deserved picnic.</p>  <p>I had a tuna sandwich.</p>	<p>Sensory cooking with some of the class, making some icing biscuits. They tasted delicious!</p>  <p>And then I finished the day off down the hydro pool with a swim.</p> 	<p>On my final day in Oak Class I helped with a matching activity about "Zog".</p>  <p>Topic time included making characters from the book "Zog" by Julia Donaldson.</p>
